Further subjects and higher level qualifications available

ADVANCED DIPLOMA

A stepping stone to full professional qualification ideal for those with existing industry knowledge.

PROFESSIONAL QUALIFYING EXAMS (PQE)

While the Diplomas are recognised qualifications in their own right, they also carry credit towards the professional qualifying examinations (PQE) of the Institute syllabus with 16 subjects to choose and enrich your knowledge and skills and further enhance your career.

Supported learning

Gain additional support for your learning through networking, mentoring and branch events including free revision evenings and options to attend Institute PREP events.

Talk to us about designing your own company specific qualification with co-branded certification.

To discuss the programmes or find out how the Institute's range of qualifications can help you and your organisation:
